来信全文

尊敬的丁校长和防疫领导小组成员：

新型冠状病毒肺炎疫情的爆发打乱了安徽财经大学师生的日常工作和生活，也给大家带来了很大的精神压力，甚至对我们的团结形成了冲击，对此我感到非常遗憾。但是，我坚信，在您和防疫小组坚强和负责任的领导下，我们能够战胜这个邪恶的病魔，在不久的将来完全消除病毒的流行。

我真诚地希望我们的各项防疫工作都能够顺利开展，从而使得我们能够按照安徽财经大学校历规定的日程在校园欢迎我们的学生返校（他们是我们真正的未来和希望），并按照2020春季学期课表开展教学活动。

为此，我想以我家人的名义为学校的防疫工作尽绵薄之力，捐献1000只专门用于预防和控制冠状病毒流行的医用口罩。很遗憾口罩的数量不多，但是请您理解这是我目前能够做到的最大努力。现在在韩国医用口罩（韩国制造）的需求量也很大，但是口罩的生产供应非常有限而且不及时。

最后，我想说对您充满信心，而且我仍然相信我们能够为人类社会作出无可比拟的贡献，相信我们的血液中依然流淌着决心、忍耐、坚毅、可靠、责任、忠诚和卓越。我真诚地希望我们可以在梦想和希望中共同生活，并不断提升自己，从而利用我们的才智创造一个更加美好的世界。

尽管有时我们的努力并没有立即换来我们期望的结果，但是我们追求进步和创造美好世界的活力和热情却从未被遏制。我们必须坚定地朝着我们梦想的方向前进。作为全球公民，我们要不断自我激励，以让我们充满信心和热情，并为我们努力追求能力和标准的更高水平而自豪。

我们由衷地感谢您为创新具有推广价值的教育理念，推动安徽财经大学教育事业发展所做的贡献。祝您在未来的工作中一切顺利。

再次感谢您为这次重要的防疫工作所做的努力。

Dear Committee Members,

It is such a pity that the coronavirus outbreak bothers our AUFE community spirit and our daily life so that many people doubt about whether there is a real sense of community in this neighborhood. However, I strongly believe that, under the strong and responsible leadership of AUFE Public Health Committee, we can defeat the evil so that the coronavirus epidemic will be completely over in a few weeks.

I really hope that everything goes well with the efforts have made so that we can greet our students (they are our real future and hope) at our AUFE campuses, with following the ordinary AUFE academic calendar and class schedule of the spring 2020 semester.

In making this effort, I would like to make a small donation in my family's name. It is about 1,000 pieces of medical masks, which are special use for the prevention and control of the coronavirus epidemic. It is such a pity that the donation of medical masks is so small, but please understand that is all what I can secure at this time point at its best. The medical masks (made in Korea) are in large demand also in Korea these days, but the supply of the products is very limited and delayed.

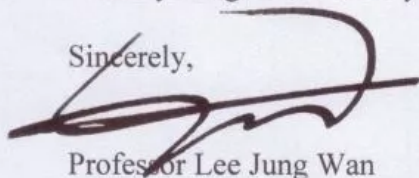

In concluding remarks, I believed in you and still believe that we have something to offer the world of human society that nobody else has. I believe that our blood still speaks determination, perseverance, persistence, accountability, responsibility, integrity and excellence. I truly hope that we live together in our hopes and dreams that we can always improve on it and use our skills and abilities toward making a better world.

Though the direct immediate result of our effort sometimes does not come along in the direction of our wishes, our desire for continuing improvement and making a better world is still full of passion and energy, never being curbed. We must go forth with every confidence in the direction of our dreams. We as global citizens shall continue to generate the enthusiasm, confidence and self-motivation within ourselves and experience such pride that comes from continually striving for higher levels of competency and standards.

I wish you best of luck in your future endeavors as I greatly respect your dedication to the AUFE community for creating shared value for better education.

Thank you again for all of your time and efforts to make for this important task.

Sincerely,

Professor Lee Jung Wan
